

College Transfer-University Parallel Education

The college transfer-university parallel program focuses on college freshmen and sophomore courses in arts and sciences and preprofessional programs. After completing the first two years at LFCC, students are able to transfer to a four-year college or university and enter a bachelor's degree program. To ease the transfer process, students are urged to work with an LFCC advisor and maintain contact with four-year college representatives before selecting courses. Admission and graduation requirements vary widely and sometimes change over time.

LFCC offers the following five degrees and three specializations that lead to an associate of arts and sciences degree.

- Business administration
- Education
- General studies
- Liberal arts
 - Communication specialization
 - Fine arts specialization
 - Philosophy and religion specialization
- Science
