

**AREA:** Liberal Arts:  
Fine Arts Specialization

**DEGREE:** Associate of Arts and Sciences Degree

**LENGTH:** Four semesters (two-year) program

**PURPOSE:** The associate of arts and sciences degree in liberal arts with a fine arts specialization is designed for students who plan to transfer to a four-year college or university to complete a baccalaureate degree program, usually the bachelor of arts degree in visual arts or related fields that would necessitate a studio art experience.

**TRANSFER GUIDELINES:** The associate of arts and sciences degrees (AA&S) offered by LFCC provide freshman and sophomore level course work toward the completion of a baccalaureate degree. The AA&S degree programs require students to take essentially the same courses as required by their university/four-year college counterparts in the areas of English, health/physical education, humanities, mathematics, science and social science.

In addition to required course work, students seeking admission into a fine arts program prepare a portfolio of their work to showcase their artistic skills.

To help facilitate the transfer process, each state-supported college and most private colleges in Virginia produce a Virginia Community College Transfer Guide. These transfer guides provide specific information about the transferability of courses and/or programs to their respective institutions. Transfer guides can be obtained directly from the college of interest or can be referenced in the Office of Student Success on both the Fauquier and Middletown Campuses. Students may also download many Virginia transfer guides online at the following address: <http://www.myfuture.vccs.edu/transfer/>.

Students should begin preparing for transfer as early as possible. Steps in this process include: making a career decision, identifying colleges which offer the intended program of study, examining available transfer guides and college catalogs, talking with transfer representatives, identifying program prerequisites, researching the academic competitiveness of the institutions and program under consideration, attending open house events offered by the colleges and exploring financial aid and housing opportunities.

LFCC offers many services and programs to assist the transfer student. Students are encouraged to seek the assistance of their faculty advisor or counselor to gain additional information to plan a successful transfer experience.

| Course#                | Title   | Credits      |
|------------------------|---|--------------|
| <b>First Semester</b>  |   |              |
| ART 101                | History and Appreciation of Art I                                   | 3            |
| ART 121                | Drawing I   | 3            |
| ENG 111                | College Composition I   | 3            |
| HIS 111                | History of World Civilization I                                     | 3            |
| MTH 151                | Mathematics for the Liberal Arts I <sup>6</sup>                     | 3            |
| SDV 101                | Orientation to the Visual Arts                                      | 1            |
|                        | <b>Total</b>  | <b>16</b>    |
| <b>Second Semester</b> |   |              |
| ART 102                | History and Appreciation of Art II                                  | 3            |
| ART 122                | Drawing II <sup>1</sup>   | 3            |
| ENG 112                | College Composition II  | 3            |
| HIS 112                | History of World Civilization II                                    | 3            |
| MTH 152                | Mathematics for the Liberal Arts II <sup>6</sup>                    | 3            |
|                        | Approved elective <sup>7</sup>                                      | 3            |
|                        | <b>Total</b>  | <b>18</b>    |
| <b>Third Semester</b>  |   |              |
| ART 131                | Fundamentals of Design I<br>(includes one credit lab)               | 4            |
| CST 100/110            | Principles of Public Speaking                                       | 3            |
|                        | Approved social science elective <sup>2</sup>                       | 3            |
|                        | Science with laboratory <sup>3</sup>                                | 4            |
|                        | Physical education (or health)                                      | 2            |
|                        | <b>Total</b>  | <b>16</b>    |
| <b>Fourth Semester</b> |   |              |
| ART 132                | Fundamentals of Design II <sup>4</sup><br>(includes one credit lab) | 4            |
| ART                    | Art elective <sup>5</sup>   | 3            |
|                        | Approved social science elective <sup>2</sup>                       | 3            |
|                        | Science with laboratory <sup>3</sup>                                | 4            |
| ART 287                | Portfolio and Resume Preparation                                    | 1            |
|                        | <b>Total</b>  | <b>15</b>    |
|                        | <b>Program Total</b>  | <b>62-66</b> |

<sup>1</sup> Prerequisite: ART 121

<sup>2</sup> Students may select social science electives from the approved list.

<sup>3</sup> A one-year sequence of biology, chemistry, geology or physics is recommended; however, depending on the requirements of the four-year institutions, two one-semester courses in different sciences may be substituted with advisor approval.

<sup>4</sup> Prerequisite: ART 131

<sup>5</sup> Approved Art Electives: ART 111, ART 125, ART 153, ART 231, ART 243, ART 283 and ART 284

<sup>6</sup> Students may elect to take MTH 163, 164, 173, 240 or 271 in place of MTH 151 and MTH 152.

<sup>7</sup> ITE 115 will satisfy this requirement. Students are required to 1) complete a computer course such as ITE 115, or equivalent or 2) demonstrate proficiency in using a Windows-based operating system along with word processing, spreadsheet, database management, presentation and communication software by passing an LFCC computer competency exam. Students eligible for option two may select any appropriate elective. Please consult your academic advisor. Students are encouraged to determine, with their advisor's help, transferability of health courses to specific four-year institutions.
