

Occupational-Technical Education

LFCC offers multiple degrees and certificates in a variety of subject areas that prepare students to meet the increasing demand for technicians, semiprofessional workers, skilled craftsmen and artisans, supervisors and managers for employment in business, industry and government.

Students who complete one of the programs are prepared to enter the workplace or pursue additional education. The subject areas for the programs are:

- Administrative support technology
- Business
- Engineering, construction and industry
- Fine arts
- Health professions
- Information systems technology
