

Refunds

Students are eligible for a refund for the credit hours dropped during the add/drop period of the standard or nonstandard session of the course(s). The refund will be at the per-credit rate, but no refund will exceed the student's tuition charges. A refund is given for the difference between:

- the student's tuition charges and
- revised tuition charges using the per-credit rate calculated from the number of credit hours for which the student remains enrolled.

Determination of Refund

To be eligible for refund under any of the above circumstances, a student must complete the drop procedure within the student information system. Eligibility for a refund is determined by the date the drop transaction is completed. The number of times a course has met is not used in determining eligibility for a refund. Questions regarding refunds should be directed to the Business Office.

The College has a military emergency refund policy that complies with state and federal regulations.
