

### **Special Training Programs**

LFCC, in cooperation with the Special Training Division of the Virginia Department of Economic Development, provides instruction for new and expanding industries.

This program incorporates job analysis, instructor recruiting and/or training and financial support for employee instruction. New industries planning to move into the area or industries planning to expand may be interested in special training programs. If so, these industries should contact the Office of Workforce Solutions and Continuing Education on LFCC's Fauquier or Middletown Campuses or the Department of Business Assistance in Richmond, Va.

### **Developmental Studies**

Developmental courses help prepare individuals for admission to the occupational-technical program and to the college transfer-university parallel program at the College.

### **Specialized Regional and Community Services**

The facilities and personnel of the College are available to provide specialized services for meeting the needs of the region. These services include cultural events, workshops, meetings, lectures, conferences and seminars. Special community programs at LFCC provide cultural and educational opportunities for area residents.
