

## Letter from the President

Welcome to Lord Fairfax Community College (LFCC), where your future is our focus. Whether your goal is to transfer to a four-year college or university, pursue education for a career, or simply take courses for self-enrichment, we are here to help. Throughout your college experience, you will encounter dedicated faculty and an entire community ready to help you meet your goals.

Students find our courses to be exciting and engaging and I am confident that you will too. Our commitment to your success begins with top-notch faculty who are experts in their fields and dedicated to teaching. LFCC courses will help you develop critical thinking and problem-solving skills to prepare for the future.

With sixty-five academic programs to select from, you have a wide range of options – some that you may never have considered. Transfer articulation agreements are available for a smooth transition to many four-year colleges and universities. In addition, professional development and short-term training courses taught by industry professionals can help you improve your skills to advance in the workplace.

Courses are available in traditional and summer semesters during the day as well as convenient evening, Friday-only, weekend, and eight-week formats. Many courses are available online, or in a “hybrid” format. Online courses allow students to “attend” a course anytime and from any place where they have Internet access. Both online and hybrid classes help you develop technological skills that will be critical to your success in the 21<sup>st</sup> century global business community.

Regardless of which courses you take, and when, you will have excellent student support services, including financial aid and scholarship assistance, academic advising, career planning, online registration/payment, and tutoring services. Through peer learning and student activities, you will have an opportunity to enrich your personal development beyond the classroom. At every step of the way, we are here to help.

Through its three locations — the Fauquier and Middletown Campuses and the Luray-Page County Center — the College serves eight localities in the Shenandoah Valley and Piedmont regions. The localities are the counties of Clarke, Fauquier, Frederick, Page, Rappahannock, Shenandoah and Warren and the city of Winchester.

Congratulations on choosing LFCC. We look forward to helping you reach your goals!
