Semester and date of intended enrollment	

I certify that I intend to transfer to James Madison University and enroll in the semester and licensure program indicated above. My signature below indicates that I understand and agree to the following requirements in order to be eligible for the RTEA:

- I understand I must complete the JMU application for admission and be offered admission to the university. The RTEA does not guarantee admission to the university.*
- I must graduate with an AA&S, AA or AS degree in the Pre-Teacher Education Curriculum with a minimum cumulative GPA of 3.00 on a four-point scale.
- I must pass Praxis I or meet the equivalent ACT or SAT scores before admission to JMU. Official scores must be sent to JMU's Education Support Center.
- I intend to enroll in JMU in the semester indicated above or no later than four years of signing the RTEA *Intent Form* and 18 months after completing an approved transfer oriented associate degree. However, I must still meet any new university requirements or new approved program requirements developed because of changes in Virginia teacher licensure requirements, or state, national, or federal requirements and standards. If my anticipated date of enrollment changes, I will notify my community college counselor.
- If I do not enroll in JMU during the indicated semester, I understand that I will be given a starting date for the licensure program in the next semester where space is available.
- I understand that some licensure programs at JMU are oversubscribed and I may be given a start date for education courses later than my first semester at JMU, based on available space.

- I understand that most of JMU's teacher education programs require five years to complete and will result in both a bachelor's degree and a master's degree.
- Once enrolled at JMU, I must also complete the JMU application to Teacher Education.
- I understand that acceptance in teacher education is required for enrollment in designated education courses.
- I certify that I have never previously applied to JMU under the RTEA.
