

## **Alternative Forms of Credit**

### **Advanced Placement (AP) Program**

LFCC awards credit for completion of selected AP examinations on which a score of three, four or five is attained. To receive credit, students must:

- be admitted to the College
- be admitted to a program
- submit an official AP score report from the Educational Testing Service (ETS)
- submit a signed request to be awarded credit

Eligible students should contact the Admissions and Records Office. Credits awarded by LFCC may or may not be accepted at other institutions. Students are encouraged to contact the college or university to which transfer is anticipated to determine whether credit is granted for completion of AP courses.

### **College Level Examination Program (CLEP)**

The College recognizes most CLEP general and subject examinations. College policy is periodically reviewed; therefore, students should request current information from counselors and faculty. Students should also consult colleges and universities where they plan to transfer. The College's testing center is an open CLEP center, providing convenient test administration to students of LFCC and other colleges.

### **Service Members Opportunity College (SOC)**

LFCC has been designated an institutional member of SOC, a group of colleges and universities providing voluntary postsecondary education to members of the military worldwide. LFCC recognizes the unique nature of the military lifestyle and eases the transfer of relevant course credits, providing flexible academic residency requirements and crediting learning from appropriate military training and

experience as well as other nontraditional sources. Those interested should contact the Admissions and Records Office.

### **Credit by Examination (CBE)**

The College provides a means to earn credit by examination for some courses. Students whose previous educational studies, training programs or work experience may entitle them to an adjustment in the course requirements for a particular curriculum should contact the course professor to determine whether a course is available for CBE.

Credits earned through the examination method may or may not be transferable to other institutions. Students should determine transferability of credits earned through CBE with the institution to which transfer is planned.
