If the matter is not mutually resolved within 10 business days after notification of the instructor’s decision, the student may appeal to the appropriate dean by submitting a written request for a review of the case at a formal hearing of the student, the instructor and the dean. The dean’s response to the appeal will be issued within 10 business days of the formal hearing. The decision of the dean will be considered final and binding.

**Continuing Education Unit**

The Continuing Education Unit (CEU) recognizes an individual’s participation in selected professional and personal development activities. One CEU is equivalent to 10 contact hours of participation in a seminar or class that meets specific criteria as set forth by the student’s governing professional organization.

Satisfactory completion of activities awarding CEUs is based on some predetermined level of attendance or on a combination of attendance and performance. The College maintains a permanent record for each participant who successfully completes a program or activity. CEUs and such academic credit units as semester or quarter hours are separate and distinct units of measure and may not be interchanged.

**Academic Recognition**

**President’s List**
This recognition is given to students who achieve a GPA of 3.8 or above without F or U grades in any academic semester with 12 or more credits completed.

**Dean’s List**
This recognition is given to students who achieve a GPA of 3.2 or above without F or U grades in any academic semester with 12 or more credits completed.

**Graduation**

The College holds a formal commencement ceremony each May. Students completing graduation requirements in the summer term may receive their diploma in August. Students who graduate at the end of the summer or fall terms are considered graduates of the class the following May. Applications for graduation and additional information are available from the Admissions and Records Office.

**Academic Apparel**
All students participating in graduation exercises are required to obtain and wear appropriate academic apparel as determined by the College.

**Graduation Requirements**
The catalog in effect on the date a student is formally admitted to a curriculum/program is used to determine course and credit requirements for graduation. The new catalog for each academic year becomes effective on the first day of June. The College reserves the right to make changes in the curricular requirements when necessary. Students are encouraged to keep up with changes to their curriculum as listed in new catalogs. In cases where a student discontinues enrollment at the College for two consecutive semesters (excluding summer), graduation requirements are determined by the catalog in effect during the semester a student re-enrolls.
