

Special Admission Enrollment

Dual Enrollment

Dual enrollment is restricted to high school juniors and seniors and home school students studying at the high school junior or senior levels. All students admitted under this section must demonstrate readiness for college, meet the applicable college placement requirements and address all other college admission criteria. Home school students must provide a copy of a home school agreement approved by the school district or a letter from the local school board or a copy of the letter filed by the parent/legal guardian declaring home school for religious exemption. Documentation of parental permission is required for all dual enrollment students. Because enrolling freshman and sophomore students is considered exceptional, the college ready status of each prospective freshman and sophomore student will be treated on a case-by-case basis. Formal approval by the college president is required.

Students interested in dual enrollment should contact their high school guidance counselor. Please visit LFCC's homepage and click on Future Students for the procedures to enroll. For more information, please contact the High School Outreach Office. LFCC works in cooperation with all area public high schools and some private high schools in the region to provide dual enrollment opportunities.

Admission Policy for International Students

LFCC is authorized by the United States Immigration and Naturalization Service (INS) to enroll nonimmigrant international students. It is the policy of the College to admit qualified international students already residing in the service area. If an applicant requires a student visa status (F1), the prerequisites listed below must be met to issue a certificate of eligibility for student visa status (I-20 form).

An applicant must:

- be in the United States at the time of application to the College
- submit documentation of eligibility for admission, including the following items:
 - a) the equivalent of an American high school diploma
 - b) official transcripts and records of previous educational experiences translated into English and certified by the institution attended
 - c) verification of financial support
 - d) an "official" TOEFL score of at least 500 (173 on computerized version)
 - e) documentation of possessing, or be in the process of obtaining, personal health insurance coverage for the period of time the applicant expects to be enrolled at the College

Students who are I-20 applicants must ensure that all required documents and test scores arrive at least 60 days prior to the beginning of classes for the semester. A form I-20 is issued when:

- the required documentation is received
 - the student is admitted for full-time enrollment and placed in a degree program
- If an individual already has F-1 status but wishes to transfer to LFCC, the applicant must first complete one satisfactory term at the school issuing the I-20. If individuals hold another type of visa, or need further information about student visas, they should contact the Admissions and Records Office.

Senior Citizens Higher Education Program

Eligible Virginia senior citizens (residents 60 years of age or older who have had their legal domicile in Virginia for one year or more) may audit credit courses or enroll in noncredit courses. No tuition or fees apply except those for course materials, such as laboratory fees. Eligible Virginia senior citizens may enroll in courses for academic credit, full or part time, and pay no tuition if their Virginia taxable income for the preceding year did not exceed \$15,000.

For professional development courses, a percentage of the tuition may be charged.

Senior citizens are required to complete an application for admission. They will be accepted in a course after all full- and part-time students paying regular tuition fees have been accommodated, on a space-available basis, unless they have completed 75 percent of the requirements necessary for a degree. At such time senior citizens can enroll in courses at the same time as other tuition-paying students. Interested persons should contact the Admissions and Records Office.
