Locations and Facilities

LFCC’s three locations—the Fauquier and Middletown Campuses and the Luray-Page County Center—offer a full range of associate degree and certificate programs, as well as continuing education, workforce training, dual enrollment and community services. The College is committed to serving the lifelong learning needs of the community through both credit and noncredit educational opportunities.

Fauquier Campus

In December 1988, Fauquier County Executive Bob G. Sowder donated 2.5 acres of property to establish a community college campus. The renovated barn on this property became the Fauquier Campus of LFCC, which was later expanded when the General Assembly appropriated $7.2 million in 1996 to construct the current 60,000 square foot classroom and administrative building.

On Oct. 22, 1999, the College community celebrated the dedication of the new campus building, located on U.S. Route 29, just south of Warrenton. The Wolk Hall classroom and administrative building is named for Paul and Sheila Wolk, whose generosity to LFCC has made quality educational opportunities available to many students on both campuses.

In addition to the classroom and laboratory spaces on the Fauquier Campus, the Loeb Center is a dramatic space where students share activities, meals and study time. Students also utilize the resources available in the Bob G. Sowder Library and through the Office of Student Success, where they can receive academic and career counseling, financial aid assistance and other services to assist them in achieving their educational goals.
