

AREA: Accounting

DEGREE: Associate of Applied Science Degree

LENGTH: Four semesters (two-year) program

PURPOSE: There is a great demand for qualified personnel to assist business management in dealing with the rapid development of business and industry in Virginia. The associate of applied science degree curriculum in accounting is designed for persons who seek full-time employment in the accounting field immediately upon completion of the community college curriculum. Persons who are seeking their first employment in an accounting position and those presently in accounting who are seeking a promotion may benefit from this curriculum.

OCCUPATIONAL OBJECTIVES: accounts receivable and accounts payable clerks, bank tellers and managers, industry accountant, retail business accountant, self-employed accounting and tax services or service business accountant

TRANSFER GUIDELINES: Transfer opportunities for associate of science degrees, if existing, are very specific in nature. Students enrolling in an applied science degree with plans to transfer should explore opportunities with their faculty advisor.

PROGRAM REQUIREMENTS: The first two semesters of the accounting program are similar to other curricula in business. In the second year each student will pursue a specialty in accounting. The curriculum includes technical courses in accounting and related areas, general education and electives. Instruction includes both the theoretical concepts and practical and computer applications needed for future success in accounting. Students must consult with their faculty advisor to plan their program and select electives. Upon satisfactory completion of the program, the graduate will be awarded the associate of applied science degree in accounting.
