Student Learning Services
The College offers individual and small group academic support to students. Tutoring services and learning laboratories are available to students at no cost.

Disability Services
The College supports the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. The College’s policy is a commitment to provide reasonable accommodations to students who have a documented physical or mental disability as they seek educational or employment goals. Students with a physical or mental disability diagnosed and documented by a licensed professional are urged to identify themselves to the College so they may be served under the Section 504 program. Students should see the campus disabilities counselor to discuss the process of requesting reasonable accommodations. The earlier students initiate the process by notifying the College of their disability, the sooner accommodations can be identified to provide equal opportunities for achieving success in educational goals.

TRIO Student Support Services Program
TRIO provides academic and personal support services to eligible students to assist them in successfully completing their programs of study and achieving their personal and career goals. The program offers a wide variety of services and activities—including academic advising, career counseling, tutoring, mentoring, transfer assistance and social/cultural activities—designed to meet the individual needs of each student. Students may qualify by demonstrating an academic need and by meeting one or more of the following criteria:

- First generation students: Neither of the student’s parents graduated from college with a bachelor’s degree.
- Low-income students: Students who are eligible to receive financial aid or meet federal low-income guidelines.
- Students with disabilities: Any student with a physical, emotional or learning disability who requires academic assistance.

Contact the TRIO Program office at the Middletown Campus for further information.

Career Services
The College offers services and resources to assist students and graduates to carry out their career plans. Trained advisors offer career assessment, individual advising and classroom presentations in the area of transfer planning, resume development and job search skills.

Financial Assistance
LFCC is committed to using all available funds to help students gain access to a college education. Financial aid is usually awarded based on financial need, but can be awarded based on merit or a combination of factors. Assistance is available through a variety of federal, state and institutional programs. Lord Fairfax Community College does not discriminate on the basis of race, sex, color, national origin, religion, sexual orientation, age, veteran status, political affiliation or disability in its programs or activities. For a complete list of financial aid currently available, check online at http://www.lfcc.edu.
