**Transfer Guidelines:** The associate of arts and sciences degree program in liberal arts is designed for students who plan to transfer to a four-year college or university to complete a baccalaureate degree program, usually the bachelor of arts degree, in the liberal arts or social sciences. Students in the program may wish to major in the following fields: American studies, anthropology, art, communication, economics, English, geography, government, history, humanities, journalism, library science, literature, music, philosophy, pre-law, psychology, religion, sociology or theatre arts.

To help facilitate the transfer process, LFCC has created an online ‘Transfer Guide’ that provides detailed information such as tuition, GPA, application requirements, course equivalents, and other information that may be useful in the transfer process. The transfer guide can found at www.lfcc.edu/transfer. The Virginia Community College System also offers a Transfer Planning Tool on the Virginia Educational Wizard, which can be found at www.vawizard.org.

Students should begin preparing for transfer as early as possible. Steps in this process include: making a career decision, identifying colleges which offer the intended program of study, examining available transfer information and college catalogs, exploring Guaranteed Admissions and Transfer agreements, talking with transfer representatives, identifying program prerequisites, researching the academic competitiveness of the institutions and program under consideration, attending open house events offered by the colleges and exploring financial aid and housing opportunities.

LFCC offers many services and programs to assist the transfer student. Students are encouraged to seek the assistance of an advisor or counselor to gain additional information to plan a successful transfer experience.

### Transfer Guidelines

**Purpose:** The associate of arts and sciences degree program in liberal arts is designed for students who plan to transfer to a four-year college or university to complete a baccalaureate degree program, usually the bachelor of arts degree, in the liberal arts or social sciences. Students in the program may wish to major in the following fields: American studies, anthropology, art, communication, economics, English, geography, government, history, humanities, journalism, library science, literature, music, philosophy, pre-law, psychology, religion, sociology or theatre arts.

**Transfer Guidelines:** The associate of arts and sciences degrees (A&AS) and associate of science (AS) offered by LFCC are designed to provide freshman and sophomore level course work toward the completion of a bachelor’s degree. The A&AS and AS degree programs require students to take essentially the same courses as required by their university/four-year college counterparts.

To help facilitate the transfer process, LFCC has created an online ‘Transfer Guide’ that provides detailed information such as tuition, GPA, application requirements, course equivalents, and other information that may be useful in the transfer process. The transfer guide can found at www.lfcc.edu/transfer.
