Important Dates for You to Remember!

Registration is on-going until Aug. 6.
Tuition payment deadline for registration is Aug. 6 (by 4 p.m.).
Late registration is Aug. 11 through Aug. 22.
Classes begin on Saturday, Aug. 23, 2008.

Enroll at Lord Fairfax Community College (LFCC) today!
For more information, call 800-906-LFCC or visit http://www.lfcc.edu.

Step-by-Step Registration for Credit Courses

Application - A completed application form must be submitted to the Admissions and Records Office. Apply online at https://apply.vccs.edu. Students may also complete an application available at the Admissions and Records Office at the Fauquier and Middletown Campuses.

Placement Testing - New students must take placement tests in English, reading and math. The results of the tests help students and advisors determine an appropriate course schedule. Students who present SAT scores of at least 500 in the critical reading, verbal and/or math sections within the last five years are not required to take placement testing.

Orientation/Academic Advising - First-time students registering for classes are encouraged to attend a New Student Orientation (NSO). Those students wishing to pursue degrees at LFCC are required to attend an orientation. The orientation is designed to help new students learn about the College and the registration process and will allow students to meet with advisors and register for classes for the upcoming semester.

Registering for Classes - Students are eligible to register using the College’s online or telephone touchtone registration systems through Aug. 22, 2008. There will be no registration available Aug. 6 (at 4 p.m.) through Aug. 10, 2008. To increase your chances of getting the classes you want, register early. MY LFCC online and telephone touchtone registration systems close Aug. 11 through Aug. 22, 2008. To register by telephone call 540-868-7241 or visit MY LFCC on the Web at http://www.lfcc.edu. For information on registration assistance at the Luray-Page County Center, please call 540-843-0722 or visit http://www.lfcc.edu/LurayPageCountyCenter.

Financial Aid Students - LFCC is committed to helping part- and full-time students find money to attend college through a variety of sources, including grants and scholarships. For more information, contact Karen Foreman, Human Resource Manager, at kforeman@lfcc.edu or 540-868-7109.

Paying Tuition - Students must pay tuition and fees for early registration before 4 p.m. on Aug. 6, 2008. Between Aug. 11 and 22, payment is due at the time of registration. Students who register during early registration and fail to pay tuition on or before Aug. 6, 2008, at 4 p.m. will have their registrations cancelled.

Bookstore Purchases - A separate payment is required for bookstore purchases. Payment may be made at the bookstore using American Express, Discover, MasterCard or Visa credit cards. Visit the William Moore Dietel Bookstore online at http://www.lfcc.edu/directory/bkstore.htm.

Your future is our focus!

“ My two years at LFCC have increased my desire, not only for scholastic achievement, but also for higher education and going above and beyond.”

David Dutton didn’t let the fact that he was born profoundly deaf slow him down. On May 10, 2008, he graduated from LFCC with a grade point average of 4.0 and numerous honors, including the Jack Kent Cooke Foundation Undergraduate Transfer Scholarship, which is the largest scholarship offered in the U.S. to community college transfer students.

With a desire to preserve the past so we can better understand the present, Dutton plans to study historical preservation at the University of Mary Washington and pursue an internship with the Smithsonian Institution. Dutton’s career goal is to become a conservator for a museum.

Lord Fairfax Community College does not discriminate on the basis of race, sex, color, national origin, religion, sexual orientation, age, veteran status, political affiliation or disability in its programs or activities. For more information, please contact Karen Foreman, Human Resource Manager, at kforeman@lfcc.edu or 540-868-7241.

Lord Fairfax Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award associate degrees. Contact the Commission on Colleges at www.sacscoc.org or call 470-309-8000 for questions about the accreditation of Lord Fairfax Community College.

Visit http://www.lfcc.edu for additional registration hours.

This publication is mailed at household's in Luray's service region. Please note that LFCC purchases a mailing list from a private vendor for this publication and thus has no control over the list's content.

Classification of Programs Fall 2008

Programs offered by the College may be classified by both their purpose and by the degree or certificate to which they lead. College-parallel transfer programs lead to an associate of arts or sciences (AAS) degree. They are intended to prepare students for transfer to four-year baccalaureate programs. Occupational/technical programs, intended to prepare students for specific occupations, lead to an associate of applied science (AAS) degree, a certificate, or a career studies certificate (CSC). Whether students go to work following the completion of these programs, additional education or training is always an option. The College reserves the right to withdraw programs offered if there is not sufficient demand or for other appropriate reasons.

Following are the programs of study offered at Lord Fairfax Community College. This information is tentative and may change.

College Transfer

Transfer Degree Programs
• Associate of Arts and Sciences Degree in Business Administration
• Associate of Arts and Sciences Degree in Education
• Associate of Arts and Sciences Degree in General Studies
